

HOW TO APPLY YOUR WINDOW STICKER

APPLYING “THE VDUB HUB” WINDOW GRAPHIC IS EASY IF YOU FOLLOW THESE SIMPLE INSTRUCTIONS.

All you need are a few, simple household items to get started

- A glass filled with water
- Dish washing soap - like Dawn
- A spoon for stirring
- A credit card
- A clean, dry cloth
- Window cleaner
- Your Vdub Hub sticker

1. Start by cleaning the outer window glass where you plan to attach your sticker.
2. Fill your glass with water and add 2-3 drops of dish washing soap and stir well, until the soap is completely dissolved.
3. Remove the sticker from the paper backing and submerge the entire sticker in the glass of soapy water.
4. Wet the section of the window with the soapy water and apply the wet sticker. You should be able to easily slide it on the glass, into position.
5. Take your credit card and push out any air bubbles or air pockets.
6. Gently dry the sticker with your cloth and allow the sticker to fully dry- it takes about an hour.
7. If you make a mistake, remove the sticker and repeat steps 1-6.
8. Please email us a photo of the sticker on your car to mulves@thedubhub.com and we will post it on our FaceBook page.
